

HUNTINGTON COUNTY COMMUNITY FOUNDATION

Classroom Education Grants Proposal Form, 2007 – 2008

Please read the Huntington County Community Foundation's Classroom Education Grants brochure before beginning the proposal process. The grant proposal process is easy and the grant is awarded directly to the applicant. A teacher may apply for more than one grant if he/she has many ideas. All teachers may apply, including special needs teachers, music, art, etc. Projects that appear to have already begun or are funded elsewhere will not be accepted. Please note that, if funded, a narrative and financial report, with receipts attached, will be required. Keep in mind that many Huntington County schools are participating in this endeavor. Since the Foundation has a limited amount of money to work with, not all good ideas can be funded. Please contact the Foundation office if you have further questions.
